[Agilium Worldwide](#) holds Inaugural Plenary in [Rome](#)

Toronto, Canada – September 15, 2010 --- [Agilium Worldwide](#), LLC will convene its inaugural plenary meeting in Rome, Italy, October 13 - 16, 2010, as its newly branded Group (formerly known as World Search Alliance).

Agilium Worldwide selected [Rome](#) – the centre of culture, art and change – for this significant gathering to help stimulate additional inspiration for thoughts and strategies for acting upon the exciting opportunities of our challenging times. It was a unanimous desire for all member firms located not only in the traditionally driven markets (Americas, Europe, etc.) but also in the Emerging Markets (South America, Asia-Pacific, etc.) to meet face-to-face to address the shift in the economic geography of today and help understand the new landscape to better counsel their many local and global clients both today and in the future.

Chairman of Agilium Worldwide, [Xavier de Zamacona](#) of [DeZaSearch, Mexico](#), believes this gathering represents the new birth of a formerly quiet yet [efficient team](#) of [self-employed retained executive search professionals](#) who are always ready to act quickly both locally and together as a global team, to get the job done on time and within budget. “We are not – and don’t want to be – like any of the big groups in this sector. This inaugural meeting of Agilium Worldwide will enable our seasoned entrepreneurs to pull together the strengths of each firm in order to accomplish much more as a Group than each member could ever do independently,” says de Zamacona.

The host member firm, [Mega HR Consulting Group](#) of Rome, Italy, will welcome close to 50 participants from more than 20 countries representing all of its global regions: [Argentina](#), [Brazil](#), [Canada](#), [Chile](#), [Colombia](#), [Mexico](#) and the [United States](#) from its *Americas Region*; [China](#) and [India](#) from its *Asia-Pacific Region*; and [Denmark](#), [France](#), [Ghana](#), [Italy](#), [Nigeria](#), [Norway](#), [Poland](#), [Portugal](#), [South Africa](#), [Spain](#), [Sweden](#), [United Kingdom](#) and a potential new Russian member from its *Europe/Middle East/Africa Region*.

[Alberto Belloni](#), partner at Mega HR says: “I am honoured that members of the Agilium Worldwide family will be gathering here in Rome. Although we are each different in many ways, we all have the same shared values in terms of work ethic, professional standards and code of conduct. This will be a productive meeting that will be innovative, creative and give us new direction without losing our core values and respect for the past.”

Agilium Worldwide’s Plenary Meeting October 2010 is for member firms and invited guests only.

* * *

[Agilium Worldwide](#) constantly brings in [new members](#) who want to be part of a strong international team with [key strengths](#) of professionalism, teamwork and flexibility. Each individual firm meets the stringent criteria to become part of a lean, efficient and agile group in which member firms complement one another [geographically](#) and by [industry specialization](#).

[Agilium Worldwide](#), LLC is an international strategic group of independent, owner managed retained executive search firms meeting talent demands for key enterprises in both local and global environments. Our mix of generalist and specialist pro-active firms, with a business consultative approach, gives clients a prompt, professional, personalized service and the [best of both worlds](#): an entrepreneurial approach with global reach and perspective. With 26 firms in 22 countries, Agilium Worldwide ranks among the top executive search organizations worldwide.
