Agilium Worldwide adds Spain and China members

Toronto, Canada – June 29, 2010 --- [Agilium Worldwide](#), LLC (formerly World Search Alliance) recently expanded its global footprint with the addition of two member firms – [Ellis & Partners](#) of Spain and [ZDL Executive Search](#) of China.

[Ellis & Partners](#), a growing retained executive search firm based in both [Madrid and Barcelona](#), was founded by owner and managing partner [Pedro Nieto](#) who has over 20 years' experience in the pharmaceutical industry. The firm specializes in life sciences/ health care and institutional/corporate relations and also services other areas including industrial products, power generation and renewables, IT, automotive, luxury goods, fashion and media. Pedro is thrilled to be part of Agilium Worldwide and in the short time he has been a member has collaborated on searches with members in Latin America. He says: "Our clients are very impressed with the Agilium Worldwide network and its [professional, effective, and punctual service](#). I am pleased to meet and work with my new associates around the world and look forward to much new business as the economy continues to improve."

[ZDL Executive Search](#) is headquartered in [Shenzhen, with offices in Shanghai, Beijing, Chengdu, Suzhou, Guangzhou](#), and serving the main economic regions of Greater China. With its strength in key industry sectors - real estate, electronics, IT/telecommunications, consumer goods/business, logistics, finance, automobile, energy, pharmaceutical/chemical - ZDL is a pace-setter and one of the top ten headhunting and key human resource companies in China. Owner [James Guo](#) and key contact [Rosy Han](#) believe their business model of building trust, long term relationships and quick response to clients' needs, is a good fit with Agilium

Worldwide's [values](#). ZDL is actively working with member firms to develop new business opportunities in the rapidly expanding Chinese market.

Agilium Worldwide is continually adding [new members](#) who want to be part of a strong international team with [key strengths](#) of professionalism, teamwork and flexibility. Each individual firm has met its stringent criteria and is now part of a lean, efficient and agile group in which member firms complement one another [geographically](#) and by [industry specialization](#).
